

Caroline County Cemetery/Grave Site Location Form

This form is to be used by Caroline County residents and property owners to inform the County of the location of a cemetery or gravesite. All applicable information must be filled out for the County to properly record the location of the site. In order for the County to assist the owner with protecting the sites, this form should be filled out by the owner of the subject property and should be accompanied by a **copy of the plat recorded in the Clerk of the Circuit Courts Office with the location of the cemetery/grave site noted on the record plat**. If a record plat is not available, supporting documentation **must** be provided on the location of the cemetery/grave site.

Assistance with filling out this form is available at the Department of Planning & Community Development, via Mr. Dennis Carney. Completely fill out the form and send with supporting documentation to:
